

WHERE TRAVEL MEETS PURPOSE

This trip is more than travel — it's immersion. You'll explore iconic places like Victoria Falls, safari preserves, and historic cities, while also stepping into classrooms, orphanages, and community centers where transformation is happening every day. You will meet the frontline heroes who carry the mission of Allies, hear firsthand how AMP empowers children to overcome trauma and thrive, and see the difference simple, consistent presence makes.

Join us in 2026 and step into a journey that changes you as much as it changes the children you meet!
