TRAVEL TESTIMONY

"In October 2023, we experienced the trip of a lifetime: Peru with Allies in Youth Development. Witnessing the impact of the Allies Mentoring Program firsthand was truly moving. In Lima, Cusco, and Chinchero, we saw how Allies mentors share friendship, life skills, and hope for the future with orphaned and vulnerable children. The warmth and hospitality of the Allies mentors and the Peruvian people left a lasting impression on us. We also had the incredible privilege of visiting Machu Picchu and exploring other captivating historical and cultural wonders."

ADVENTURE 2027

Peru

June 29-July 7, 2027

All around the world, children suffer from abuse and neglect. Many children survive difficult years in orphanages only to find themselves in an even more dire situation after graduation --- living on the street with no support, no life skills, and becoming easy targets of human traffickers.

You can be an Ally to these children by traveling with us and showing them love and care in person. Smiles and hugs are priceless and free!
