ADVENTURE
2020

EASTERN EUROPE & VIETNAM

Russia - Vietnam - Moldova - Ukraine
 Belarus - Kyrgyzstan - Egypt
 Tanzania - Peru

Spanning two continents and 14 time zones, these five countries comprise the largest land mass in the world. Being the biggest is not always the best. It is well known that Russia and all of Eastern Europe have a terrible orphan problem. Upon graduating from the orphanage, many orphans are reduced to life on the streets. This is where Allies in Youth Development steps in and we hope you will join us on an adventure to show love and care for these children by modeling how to volunteer.
